T-LOT Project Give

T-LOT stands for “The Least of These”. (Matthew 25:40)

Each month we will ask you to consider purchasing and donating items on a regular basis to help meet the ongoing needs of The Volunteers of America – Freedom House, The Healing Place, Hip-Hop Ministry and Feed With Faith Ministry. Personal care items are the items most needed on a daily basis, but monthly requests could vary depending on the needs. A Receptacle is available in the foyer of the church for your donations, or you can drive up and drop them off on the third Saturday and following Sunday of each month at the church’s Multi-Purpose Room from 11:30 to 1pm.

Reminder: Shop at smile.amazon.com and Amazon will donate 0.5% of eligible purchases to your favorite charitable organization—no fees, no extra cost. Just list The Healing Place, Inc. Louisville, KY as your favorite charity!
